Dear Residents and Families/Representatives,

Please accept this letter as our weekly update on the status of COVID-19 in our facility.

### **Number of Confirmed COVID-19 Cases Currently in the Facility**

Staff: 0

Residents: 0

### **Date of Last Newly Confirmed COVID-19 Case:**

4/28/2021

### **Visitation Status:**

We are happy that we will be able to start visits in residents' room by scheduled appointment. We will have several spaces initially to choose from as we move into this new stage. We will continue to offer the Outdoor visits as well as the lobby area for inclement weather. In addition, residents will be able to go out of the building for a visit based on their health status. Please feel free to call if you have any questions.

### **Facility Safety Precautions:**

We continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website([www.alleganynursingandrehab.com](http://www.alleganynursingandrehab.com)) for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-777-5941.

Sincerely,

*Debra Buckalew RN-BC, LNHA*
