WEEKLY UPDATE

6/24/20

Dear Residents and Families/Representatives,

We are happy to report that, as of today, Allegany Health Nursing & Rehabilitation has no confirmed cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working is very hard to make sure they are safe, we also want to make sure they are having some fun! Hallway bingo, daily movies, and resident specific one on one interactions are just a few of the activities our residents continue to enjoy. We continue to also offer Zoom or FaceTime calls for our residents and families. If you are interested in having a call with your loved one, please contact the facility and we will gladly set that up for you.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 301-777-5941.

Sincerely,
