WEEKLY UPDATE

8-11-2020

Dear Residents and Families/Representatives,

We want to take this opportunity to share the results of our recent mass testing of all residents and staff on 8-5-2020. **We are happy to report that 100% of the residents and staff tested negative for COVID-19.** The residents will be tested again tomorrow, August 12th, and the staff will continue to be tested weekly. We will individually notify residents and families of any positive test results as well as post all new cases on our website.

We will continue our efforts to prevent further spread of this virus in our facility by following the recommendations of our health officials and practicing the enhanced safety measures we have previously reported to you.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 301-777-5941

Sincerely,

Debra K. Buckalew, RN-BC, LNHA
