WEEKLY UPDATE

9-15-2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Since the onset of this virus, we have had zero residents and two staff members test positive for COVID-19. We, once again, achieved all negative results from last week's staff testing. As a result, the residents will not be tested this week.

We are currently developing our facility plans for outdoor visitation. Once complete, it will have to be sent to and approved by the local health department. Once the approval is received, we will then be able to move forward. A letter will go out immediately to all residents / families and will be posted on our facility website and Facebook page, as well. This letter will provide further instructions on how visitation will be conducted.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-777-5941.

Sincerely,

Debra K Buckalew, RN-BC, LNHA
Administrator
